RURAL DISTRICT HEALTH COUNCIL ANNUAL REPORT

January 1, 1974 - December 31, 1974

The Rural District Health Council has experienced another year of growth and reorganization in 1974. The continued success of this program lies in the dedication of the agency personnel, and the capable professional staff assures the availability of quality care.

Skilled nursing service is still the major part of the program, and as more people become aware of the value of home care, demands for the service increase. These services are provided by Mrs. Barbara Drew, R. N. of Farmington, Mrs. Myrtle Walsh, R. N. of Milton and Mrs. Lucy Myers, R. N., B. S. of Deerfield. Mrs. Evelyn Therrien, R. N. of Barrington has also been working on a part-time basis. Mrs. Kathleen Hansen, RPT of Epping continues to provide physical therapy when ordered.

Mrs. Ardala Houle, R. N. of Rochester has been the Agency Co-ordinator and Clinic Supervisor. In this capacity she is the liason between the Rural District Health Council, area hospitals and other community health agencies. She is also the leader of the clinic team.

As a result of the increased interest and services in the Maternal and Child Health Program, Miss Arlene Thorne, R. N. of Strafford is now employed full time as the agency Maternal and Child Health nurse ensuring more continuity of care in this specialty. Mrs. Bernadette Cameron, R. N. of Deerfield, a new member of our staff, has been organizing prenatal and parenting discussions which are conducted at each clinic. The Rural District Health Council works

in cooperation with the N. H. State Department of Public Health in offering Well Child clinics for children from 0-6 years. Again this year, through the cooperation of the N. H. Bureau of Dental Public Health, a dental clinic was held for the children from 3-6 years who are enrolled in the Well Child Program. The agency has also worked cooperatively with the school nurses in the member towns to assure that the immunizations of all students are updated. The Rural District Health Council is an active participant in the Maternal and Infant Care program of the Strafford County Prenatal and Family Planning Association. The agency also works closely with the Exeter Area Family Planning Association. As a result of these changes, a more comprehensive program is now being offered by the Council.

Early in the year, the Rural District Health Council was approached by the Senior Citizen group in Farmington requesting an ongoing screening for its members. As a result, two times each month, agency nurses are present at the Senior Citizen Meeting Room in the Farmington Town Hall to check blood pressure, pulse, respiration, height, weight, urine and hemoglobin, and to do nutrition counseling. This has been greatly appreciated by the participating members. A similar program is being initiated in Northwood through the cooperation of the Northwood Plus 55 Club.

During October and November, successful Adult Screening clinics were held in Farmington and Northwood in cooperation with the Special Services of the Department of Public Health, local organizations, American Cancer Society, Portsmouth Rehabilitation Center, and Health professionals. These were open to any area person wishing to attend.

The office procedures of the Rural District Health Council are ably handled by Mrs. Norma Davis, Bookkeeper, and Mrs. Eleanor Eaton, Secretary, both of Farmington.

The Rural District Health Council is supported by the funds contributed by the member towns at an annual rate of \$1.00 per capita, state grants and fees for service. Anyone interested in the program or needing service is asked to contact the office in Farmington, P. O. Box 563, 6 South Main Street, Telephone 755-2989.

Respectfully submitted,

CYNTHIA BLOOD
Executive Director
Rural District Health Council, Inc.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A. M. and 5 P. M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

At the present time there appears to the writer to be two priorities confronting the school system in Farmington, in which Middleton takes an active interest. That is in maintaining the present dedicated school staff and in obtaining more school housing. The Farmington School Board and the Farmington Building Committee are working hard to meet the needs represented by these priorities. The continuing support of the Middleton School Board and School District helps to strengthen the resolve to solve these problems.

The Middleton School Board continues to work hard to make a good education available to the youngsters of Middleton and its support has been most helpful to the teachers and administration.

In closing, we would like to express our appreciation for the co-operation we have received from the citizens, School Board Members, and pupils of the Middleton School District.

Respectfully submitted,

CHARLES H. MORGAN
Superintendent

FRANKLIN E. BLACK
Assistant Superintendent
